## INSIDE A BARELY LEGAL GIRL

**Hey! It's me, Lindsey.** Back in our February issue we did a special Valentine's thing of turning the model interviews over to you guys, and we promised to do it again if you liked it. Well...you liked it!

A reader named Panty Dreamin' (so cute!) emailed: "I like the new interviews (can you say boner?) and think the girls should definitely answer more naughty reader queries." See page 60 for his question and Fawnya's revealing reply!

R.S.C. from Arizona also sent in a question. He wanted me to answer it first (gulp), so here goes:

**"When and how did you first discover your G spot?"**

It happened by accident the first time I had sex with a guy with a really curvy penis. I innocently sat down on top of it and—DING—it hit the spot like it was a target! I've been trying to reach it with my fingers ever since. (See dirty Dixie Belle answer this question and more on page 68.)

You guys, it is so fun asking the girls your questions. I hope you send some more in soon!

*xxx Lindsey*

## making a splash

**H**ey, it's Lindsey. This is stunning Skylar's first layout ever—and she has a big surprise for you on the last two pages. (No peeking!)

**Hey, Skylar! Why do you want to be a nude model?**  
Being a nude model is art. I think it's very fascinating and fun. It not only makes me feel good, but others, too.

**What did you do before modeling?**

I was in college, earning my AA degree. I'm interested in pursuing geology.

**Were you a good student?**  
I've always been a straight A student. :)

**What are your favorite hobbies?**

Rollerblading, yoga, being outdoors, collecting rocks, making jewelry as art.

**What do you think is your best physical feature?**

My eyes.

**What turns you on the most?**

Kisses on my legs and full-body massages. :)

**What turns you off?**

I'm not easily turned off.

**What kind of guys do you like?**

I like a guy with charm.

**Are you bi?**

Yes, I like girls who are down-to-earth and like to be kinky.

**Do you like oral sex?**

I love oral sex. All sex should be started with oral sex.

**Are you a splitter or a swallower?**

Swallower.

**What's your favorite position?**

I like many positions, but I think my favorite one is doggy-style.

PHOTOGRAPHY BY MILEHIGHPHOTOG

**How do you like to be fucked?**

I like to get fucked in lots of ways. Gently and slow, fast and hard, a mix of both, finger-fucked, tongue-tickled. I just go with the flow of things. **What's the best way for someone to make you come?**

Deep and rough penetration, and when I get close to feeling like I'm about to come, I rub vigorously on my clit.

**Do you like anal sex?**

I do enjoy anal sex, even by myself.

**Where do you like a guy to come?**

All over my chest, belly, ass, or in my mouth.

**And now for the big reveal: How did you discover you could squirt?**

The first time I squirted was very shocking to me. I was getting pounded while I was straddling my guy, and all of a sudden it was like a showerhead of glorious wetness. After that I knew I could do it again.

**I'm so jealous! I've been trying to squirt for years. Nothing.**

Being able to squirt isn't about trying hard—it's about knowing what feels good and then doing that until you burst. It took me a bit to get to know my body and to know what made me orgasm the way I do. Practice makes perfect. :) \*

## FEBRUARY 2011 PANTY CONTEST WINNERS!

D.D. and Jaz White, we loved your sweet valentines to Farrah and Victoria. We're sending you panties and kisses!

FARRAH

Dear BARELY LEGAL,

Let me say first of all what a great magazine you have!! The women are always so beautiful and sexy.

Two months ago I caught my husband smelling my panties and playing with himself. He was very embarrassed but told me how he has a fetish for panties and loves to smell them. Since then I have left him my panties in surprise places like his lunch, and this really turns him on!!!

When we were looking through the February issue of BARELY LEGAL together, he could not stop talking about how hot Farrah was. (I can't say I disagree. That is one hot, sexy ginger!) So I thought if I could win her panties, I would blindfold my husband and shove them under his nose and in his mouth and make him guess whose they are. I hope to win Farrah's panties so we can use them in foreplay to start some amazing lovemaking.

D.D.  
Wisconsin

PS. He loves how she put them in her mouth!!!

Hello Victoria Lynn and BARELY LEGAL,

So I am looking at the spread of Victoria Lynn right now as inspiration for what to write here, and I can honestly say that I'm in a dumbfounded state because the intoxicating beauty of Victoria Lynn is turning my brain to mush. She has about everything that I find attractive in a woman: perfect tits, petite little sexy body, brunette, and I love her glasses, too. Girls with glasses can be so fucking hot! I want her panties because I would have to be blind not to. What straight guy wouldn't want them?

I remember when I was in my puberty days and my best friend had a hot sister and I used to always sneak into her room and sniff her panties and jack it like a fiend. Those were the days. I'm going to turn 30 on February 4, and I think it would be a stellar 30th birthday present from you guys if I won this lil' contest.

So as to what I am going to do with this little treasure that is Victoria's panties is complicated. I can't masturbate anymore in the normal sense because three years ago I was in a bad accident. A guy messing around with a gun shot me while I was playing a guitar, and it hit my spinal cord and it paralyzed me. So instead of jackin' it, I would find extra creative things to do with them, like endless sniffing. Might wear them like a pro wrestler on my head. Might just stare into them

VICTORIA

whilst thinking about eating Victoria's pussy until she came and came until she couldn't no more.

So I hope I win. Thanks, BL. Victoria, I love you.

Jez White  
Colorado

Dear Eva Sedona and Nickey Huntzman,

I like your layout. I hate clothes and I love being naked. I masturbate every day looking at you. I was wondering if you girls would like to have a threesome with me?

R.O.  
Michigan

We love the idea, R.O.—but threesomes can be tricky. What if Eva and I end up fighting over your cock? J —Nickey

Dear Keana (Anniversary 2014), Well, I surely noticed you! And yes, particularly your eyes and BUSH! OMG! And wow! I am a furry-beaver lover from way back! LOL! So let me say that you've truly got one of the most mesmerizing hairy pussies that 've ever seen! So with all that scorn from others in your school—just brush it off, girl! If I had you as my girl, I'd be proud to call you my APE GIRL! There's absolutely nothing wrong with you or that. To each his own, I always say! All others can either like it or lump it. You've got a great look about you, girl. I truly mean that. Good luck.

K.S.  
Texas

Dear Keana,

I sure noticed you. Young boys only chase after dreams and what they think their friends think they should like: the bubble-headed blonde shaking her assets and teasing them for what she wants from them. They are just sheep in a huge flock. They wouldn't even know a hot twat and what to do with it, anyway. The young ones only want a jerk-off fantasy they can't have.

Nature intended us to have fur. So why not flaunt it? I love a good furry pussy.

B.C.  
New Jersey

NICKEY & KEANA

KEANA

Two amazing things happened this month. 1) I finished with high school (and high school boys) forever and 2) YOU GUYS. Thank you, K.S. and B.C!

And one more amazing thing is about to happen. I'm going to be in the July issue, next month! See you guys then? —Keana

Dear BARELY LEGAL,

I'm a new subscriber to BL, and I just had to write and tell you I think your magazine is the best in the business. I have never seen so much succulent girl meat! Every page is covered with perfectly titted, open-legged sweethearts. You have a great publication. Keep the spreads coming.

Being new to BL, I'd like to know if your editor Lindsey has ever done a spread for your magazine. If she hasn't, I'm sure a lot of guys out there, like myself, would like to see her do one. If she has, when was it? Has she done any videos? I'm asking because this girl has been causing me a lot of wet dreams ever since I started reading your magazine. I have to see more of her! When will we get to see inside this BARELY LEGAL girl?

T.S.  
New Hampshire

Omigosh! Thanks, T.S.! You probably know by now that I was the BL Classic in our January 2015 issue. I also did two other spreads—but those issues are sold out. (Not bragging—just stating the facts!) There's only one other photo of me available, in the video review section of the September 2002 issue. Unfortunately, you can't see inside me—because my pussy is full of penis! J You can order back issues by sending a check or money order for \$12.00 (per issue) to: LFP Publishing Group, LLC, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211, Attention: Back Issues Dept.

Oh, and if you want to see me in action, I'm in the video BARELY LEGAL #25. To order it, call 323-651-5400, ext. 7675, or visit HustlerStore.com. I lick a girl's pussy!

For those  
about to rock

**H**ello, everybody! It's Abby the Intern. The cutest little metalhead in the world is back!

Hey, Lucy! What's new since the last time you were here (October 2014)?

Well, I made my first movie for you guys—Teen Glory Holes 2

Yay! I haven't seen that one. What do you do in it?

Suck a cock that's sticking through a hole in the wall!

That's it?

"That's it"? I give an awesome BJ!

#### What's awesome about it?

I do my special thing of keeping the head in my mouth while I stroke the shaft. It gets results every time!

Have you been making a lot of movies?

Yes, and it's really fun because I've done some scenes with scripts, so I get to act.

Is your goal to act in mainstream movies?

Not necessarily. I love acting, but I really, *really* love music. My main focus right now is my band, Eggplant Kickstand

Is it a metal band?

LOL! No, we're blues-rock. I play bass and sing. I thought you were totally obsessed with Slayer and AC/DC and bands like that.

I LOVE metal, but I love rock, too—the White Stripes, the Beatles. And I'm also a jazz singer. Wow! What else don't we know about you? Hmm—how about, I had sex with only three guys before I started in porn. Crazy! Were you not that into sex? I liked it okay. Porn has really brought out my sexy side. I'm excited to try new things. Like what? Anal? Anal makes me nervous. Maybe in the future. But I would love it if someone put a butt plug in me. Someone who? What kind of guy are you looking for? He has to be into music, and he has to make me laugh. And preferably he's way older. What's the ideal age? My ex was 44—that felt pretty perfect. I think you're pretty perfect. You're just saying that because it's true! :) \*

**BELICIA**

I only have  
eyes for you

**H**ey, guys! Stacy the intern here. College freshman Belicia is so beautiful it hurts my eyes!

**B**elicia, you are, like, otherworldly gorgeous. Do you just stare at yourself in the mirror all day long?

**L**OL! No, I don't really think about how I look.

**W**hy did you decide to try modeling?

A man I met at a club told me about it, and I needed money for school, so...here I am!

**W**hat do you think is your best physical feature?

I have no idea.

I'll help; your eyes are incredible.

Thank you.

Hasn't any man ever told you that?

Yes, a couple. But I'm more interested in how they look.

Okay, what's the first thing you notice in a man?

His nose. I like big noses.

**D**o you care about personality?

Yes. I like funny, active men.

Taking me to Hawaii and just driving around in a convertible for half the day, then going to the beach and running around tackling each other, and always making me laugh.

**Do you plan to keep modeling?**

# *my first crush*

a *BARELY LEGAL* confession • by maria sofia ortega

PHOTOGRAPHY BY SAGECHICKS.COM

**W**hen someone reveals their secret crush on you, it can be the most wonderful feeling in the world. But, it can also be the most terrible. Because what if you don't like them back?

That's why I was worried about revealing my true feelings to my best friend Ana. I didn't even really understand them myself, because I've always been pretty much a total slut with boys. I still like guys, but Ana...I would see a little slice of tummy peeking out between her jeans and T-shirt, and suddenly I'd be goose pimply all over.

I knew she would never understand. Ana's a bigger slut than I am! But it got to the point, all I could think about was tasting her pussy I couldn't eat, I couldn't sleep. I couldn't be around her anymore unless I said...something.

One night Ana and I were hanging out at our usual spot in the desert. We were laying on our backs, a little wasted, looking at the stars. My body was vibrating from being so close to her...decided to confess. Sort of.

"There's this new girl at my work," I lied, "and she's a total lez."

"Really?" said Ana, yawning.

"Yeah, and she acts just like a dude," I said. "She's always pointing out customers with nice titties, and she's all flirty when

she takes their orders."

"Weird!" said Ana. She turned over on her side, away from me—a bad sign. But I kept going.

"And the other day, we went on break together, and she told me what it's like to eat pussy." Just telling this made-up story was making me squishy. I was sure Ana could smell my damp cooch.

"She said it tastes sweeter than you might think," I continued, "and as you lick the clitty you can feel it swell up, and then the juices seep out and coat your lips, and then it's superhot, like an oven..."

Ana was curled up now, like just the thought of vagina made her want to vomit. That was that! I went for a quick save.

"Isn't that the grossest thing you ever heard?" I laughed.

Ana turned toward me, all forlorn.

"Then I'm gross," she muttered, "because all I ever think about is you eating my pussy." She sighed. "I guess this means we can't be friends anymore."

I thought my heart would stop.

"No, we can't," I said. I slid my fingers down her pants and into her wet hole. "We'll have to be girlfriends instead."

I'll never forget the look on Ana's face. It was wonderful. ★

# MADISON

**Y**ou have to make me look bad!"

Not exactly the words you expect to hear from a centerfold model.

"No, no!" protests our November girl, Madison. "Not bad as in ugly—bad as in *hot and sexy! And dirty!*"

The Roanoke, Virginia, high school senior digs through the pile of panties at the BARELY LEGAL office and pulls out a black vinyl thong—which we pull out of her hands.

"You've got a face totally like an angel!" we tell her. "You should dress all sweet and pretty."

"That's the total exact opposite of what I want!" Madison wails. "It's like, people want to see me in pink and baby blue with a ribbon in my hair or whatever. Guys look at my face and they think young, innocent, naive. In other words, boring. They can't even believe that I would ever do a blowjob. And I've done three! I'm a bad girl!"

Madison finally relents and slips into little polka-dot panties—but only 'cause they're see-through," she insists. "People are finally going to look past my face and see the real me—right down to my hoochie!"

**Birthday:** July 29, 1985

**Height:** 5'2

**Weight:** 102 pounds

**Favorite part of your body:** Not my face! Definitely my pussy. I play with it almost every day, actually. Sometimes I lick my fingers after too. I'm very sexual.

**Favorite part of a guy's body:** (Madison turns beet red.) The penis.

**Virginity status:** Okay, I am still one, but I've done oral and handjobs. But really I can't wait to fuck.

**Pet peeve:** Obviously, people who think I'm, like, a pure Girl Scout or something.

**The baddest thing you've ever done:** Well, I didn't mention it before, but one of those blowjobs I did? It was with my step-dad, Jerry. He's old but very cool, because he is, like, the only person in my life who doesn't treat me like a child. Anyway, Jerry was picking me up from cheer practice, and we pulled over by the woods to talk. He was so sad that day! My heart totally went out to him, and I kissed him, just on the cheek, but suddenly it was like we were uncontrollable, kissing and squeezing everywhere. When Jerry pulled out his penis, I didn't really stop and think. I just put it in my mouth and sucked for a really long time, but it didn't feel like work at all. It actually even made my pussy wet, and I had to play with it right away when I got home because Jerry wouldn't have actual sex with me because he was starting to feel bad about what we were doing because of my mom and because I am a sweet girl. But I don't care what my mom would think because she doesn't even like sex, which is so unfair, and I am not a sweet girl.

**Do you swallow?** Well, I swallowed Jerry's stuff, but I didn't swallow the two times I did Ryan, this guy from my school, because I just don't feel the same way about him as I do about Jerry.

**Most cherished dream:** To meet someone who will treat me like a grown woman and not be married to someone else. \*

Making art turns me on. I love to create new shapes with just my naked body. Beautiful shapes.

Your old shapes isn't too shabby, either! I have a question for you from a reader who calls himself Party Dreamin: "What's in your panty drawer? Details, please!"

My panty drawer is filled to the brim with every kind of panty bikinis, thongs, boy shorts. All different colors. Some cute, some sexy. I choose my daily panties based on my mood.

**A**nd today?

Today I'm in the mood to show off my ass! And you just happened to have a matching bra.

I have a lot of bra-and-panty sets. I also have corsets, stockings, garters... I'm a very girly girl.

**D**o you like manly men?

I like a man with a strong spanking hand

**I** knew you were kinky!

Just a little. If you dig really deep in my panty drawer, you might find handcuffs.

**W**hat's the wildest sex you've ever had?

I love backdoor sex. No matter how often I do it, it feels new every time. Forbidden. I love the forbidden. Is there anything you wouldn't do?

I wouldn't ever turn into a boring wife who has sex once a month with the lights off.

**I** can't imagine you being married at all.

I might be, someday—after I've traveled the world and done everything and everybody I want to do. ) \*

# DIXIE BELLE

**good eatin'**

**S**tacy the intern here with sweet-as-honey Southern girl Dixie. Couldn't you just eat her up?

Hey, Didie! Why did you want to pose nude for us?

I love showing off my womanly curves. I don't get skinny gals at all. Don't they ever eat?

Not in LA! I'm guessing you like food?

Food is my second-favorite thing!

What are your favorite dishes?

Mmm—fried chicken, biscuits and gravy, and shrimp and grits with tons of cheese.

PHOTOGRAPHY BY STEVEN ANDRES

You should be enormous, not just curvy.

I get a lot of indoor exercise. :)

Ah-hah! What's your favorite exercise?

Working up my sexual appetite by giving amazing head.

What's amazing about your head-giving?

I can do it for a very long time, if that's what you would like. I never get tired of sucking.

Do you swallow?

Of course I don't get gals who don't swallow, either. Are they worried about calories? LOL!

I have a question for you from one of our readers, R.S.C. from Arizona: "When and how did you first discover your G-spot?"

Well, I first learned about my G-spot from reading *Cosmo*. My mama kept her magazines hidden deep in her closet, which naturally made them fascinating to me.

Go on.

Well I turned 18 and was still a virgin, much to my dismay. I decided to explore my spot on my own. I took a toy—also my mama's—and stuck it far up my coochie, per *Cosmo's* instructions. And I hit it on the first try!

You were a sex prodigy.

really was, and still am. Do you know I lost my anal cherry the same night I lost my pussy cherry? Anal is just part of regular sex to me.

What's next for you?

Careerwise, I plan to go to nursing school. Sexwise, I would love to be with two men at the same time—no, make it *three*. For me, more is always more. )★

HENNESSY**

**DILF**

**H**ey, it's Lindsey. Ex-starlet Jonni was one of our smartest Teen Queens ever (May 2013). Let's find out what she's been doing with that beautiful brain of hers!

Welcome back, Jonni! So, I hear you retired from porn. Yes, I decided to focus on college. Having two majors was harder than I thought. I couldn't even pull off **one** major. When do you graduate?

I just did! I now have a bachelor's degree in music and history.

Congratulations! What's next?

I want to write songs for people like Katy Perry and Ariana Grande and also for myself.

I didn't know you sang.

Uh-huh. I'm going to sing and play piano like Lady Gaga, but without the gimbicky outfits. I think they take away from the music. I never pictured you as a performer. You sort of looked like a librarian the last time you were here.

I'm still a librarian inside. A naughty one.

What's the naughtiest thing you've done lately?

Went on a hike with a guy and stopped to fuck right there on the trail, in the middle of the day.

Was that your first time having sex in public?

No, I've had sex just about everywhere, except on the beach. That's my goal—along with total domination of the pop music world.

I remember when your goal was to earn your Ph.D. so guys would have to call you "doctor" in bed.

That's still a goal—it's simply been postponed.

Don't wait too long. You're already 21. LOL!

I'm not worried. I'll be a new type of sexy older lady. Doctor I'd Like to Fuck. J. \*

t's me again, Abby the Intern. Get ready, you guys—newly minted high school grad Emma is coming for you!

**E**mma, where are your clothes? You're already practically naked!

I couldn't wait:

**W**hat's the big rush?

I just feel like I'm going to bust all the time. I've been waiting and waiting to graduate and move out, but I'm stuck in this town until I can earn enough to live on my own. :)

**I**s your town really that bad?

Well—no. But it's a town. I've always wanted to live in a big city. Why a big city?

Because I want excitement and adventure—and men. The boys in my high school couldn't handle my sexual energy.

**H**ow do you mean?

They want shy girls who act all inexperienced. I want what I want when I want it, and I'm not afraid to say so.

**W**hat do you want the most?

I want a man who will fuck me for two hours straight.

That's pretty long...

And I want him to fuck me so hard that I can't stand up after So demanding!

Yes, I am, but I want him to be, too! A guy has never said to me, "Suck my cock right now!" I mean, I would melt if someone did that.

**A**re you sure?

Yes! It's what I think about when I play with myself. I come so fast.

**W**hat else do you think about?

I think about him holding my head while he fucks my mouth and shoves his cock so deep I gag.

**H**ow do you even know about these things?

From watching my brother's secret porno stash. It's the only thing that got me through senior year.

**W**hat have you seen in these pornos that you want to do the most?

Butt sex! It looks so amazing! The dumb boys in this town would never go near my butt. :)

**W**hat a waste! Well, I hope you get plenty of anal when you move to the city.

I know I will—I'm finally going to be with real men! I can't wait! \*
